

# RFP Progress and Outcomes

FasTrak Express, Suscon Products,  
and Harford Industrial Materials

May 23, 2023  
Hybrid Meeting

## Innovative Reuse Committee and Citizens Advisory Committee

**Join Us in Person:** 5:00 pm – 7:00 pm (optional van tour at 4:00 pm)  
Cox Creek Operations & Maintenance Building  
1000 Kembo Road, Baltimore, MD 21226

**Join by Video:** 5:10 pm – 7:00 pm, link [here](#)

**Join by Phone:** 1-410-801-9756; PIN: 748 742 369#

5:10 **Welcome and Introductions** – *Sari Rothrock, RK&K and Angie Ashely, Angie Ashley Consulting*

5:20 **IRC Comments and Updates** – *Holly Miller and Darren Swift, MPA*  
Speakers will provide a brief overview of the IRC and its charge, as well as general program updates.

5:25 **CAC Comments and Updates**– *Angie Ashley and Adam Lindquist, CAC Chairman*  
Speakers will provide brief remarks and will alert the CAC to any written updates. Minutes from the previous meeting will be approved.

5:30 **Results from Applied Research and Development Projects**  
Darren Swift will provide an overview of the Request for Proposals process and introduce speakers from FasTrak Express, Suscon Products, and Harford Industrial Materials. Meeting attendees will have an opportunity to ask questions after each presentation.

**FasTrak Express-** *Lisa Van Houten, Full Circle Mushroom Compost; Jack Warpinski, Central Sod of Maryland; and John Tilson, Mountain Materials*  
FasTrak has been working with local project partners to combine dewatered dredged material with mushroom compost to develop a formulation for growing sod.

**Harford Industrial Materials and Suscon Products** - *Miguel Lambert, Harford Materials/Suscon; Stacy Kinchen, Concrete Consultants Group*  
Harford and Suscon have been working to combine dredged sediment with other materials to produce lightweight aggregate and concrete mixes.

6:55 **Roundtable and Announcements**  
The next IRC meeting will be held October 17. The next CAC meeting will be held November 8.

7:00 **Adjourn**
