Join by Phone: 410-801-9756, Phone Conference ID: 961 634 261#

-
- 5:30 **Welcome and Introductions** – *Sari Rothrock and Ed Tinney, RK&K*
Sari and Ed will lead in-person and virtual introductions.
- 5:40 **Approval of Meeting Notes**
The IRC will be asked to approve notes from the May and August 2024 meetings.
- 5:45 **IRC Updates** – *Darren Swift, Kelvin Moulden, and Joe Ross, MPA*
Darren will introduce the new Chief of Innovative Reuse Strategy and Partnerships. The team will provide additional updates including outcomes from the Swan Creek groundbreaking and information about the ninth R&D grant award.
- 6:00 **Lightning Talks**
Lightning talks are short, focused presentations designed to provide bursts of information and spark conversation and collaboration. IRC members have been tapped to give four-minute presentations about why they find innovative reuse personally or professionally compelling and share what they hope to see in the future.
- 7:00 **Announcements and Adjourn**
Join the DMMP for the Annual Meeting on Friday, December 6!
