-
- 5:30 **Welcome and Introductions** – *Sari Rothrock and Ed Tinney, RK&K*
- 5:40 **IRC Updates** – *Darren Swift, Rachael Gilde, and Joe Ross, MPA*
Darren, Rachael, and Joe will provide an overview of new website materials and update the group on progress at the Cox Creek STAR Facility.
- 5:50 **COMUS Sustainable Pozzolan Products** – *Dave Hendershot and Brad Hill, COMUS*
Dave will describe the COMUS work, which is focused on dredged material reuse in pozzolan/cement product production.
- 6:30 **Looking (202)4ward: Upcoming Meetings** – *Sari Rothrock and Ed Tinney, RK&K*
What do you want our meetings to look like this year? We'll break out into small groups to learn more about IRC preferences for topics and meeting format.
- 7:00 **Announcements and Adjourn**
The Innovative Reuse Committee will next convene on May 28, 2024.
